SUMMARY & BACKGROUND OF TOPIC:

At the July 31st commission meeting, the following discussion and action took place based on commission minutes.

After a brief discussion on information from Planning and Zoning regarding solar recommendation. Mr. Friesen said he was trying to get the rules straight for everyone. Mr. Hoffman made clarifications on representation of the public. Mr. Friesen made a motion, seconded by Mr. Whitesel, to place a study session on this item for the September 11th, 2024, meeting, to review the solar recommendations from Planning and Zoning.

A decision regarding the planning commission's recommendation will be placed as a business item on September 25th, 2024, agenda session.
