

Reno County Community Corrections
Thursday, June 16th, 2022 4:00pm
Advisory Board Meeting

Attending from Advisory Board: Ray Hemmon, Judge Joseph McCarville, Cathy Nisly, Stephanie Springer, Lacy Stauffacher

Absent: Elizabeth Allan, Carolyn Parson, Shannon Hauschild, Brice Burlie, Tom Stanton, Shawn McHaley, Erica Rivera

- 1) Welcome to the Advisory Board meeting from Judge Joseph McCarville.
- 2) Motion to approve minutes from the last meeting by Stephanie Springer with a second motion by Cathy Nisly and all approve.
- 3) No old business to address.
- 4) New business – Randy Regehr
 - A. Quality Assurance Grant Conditions Approval – Randy announced Community Corrections was awarded a \$73,000 grant for QA on risk needs assessments & scoring for FY 23 & FY 24 with a 3rd year possible. Motion to approve by Ray Hemman with a second motion by Cathy Nisly and all approve.
 - B. Policy Updates – Kansas Highway Patrol completed their audit at Community Corrections recently. No violations were found but verbiage was added to the Criminal Justice Information Systems Security & Criminal Records Check policies that state transmission of KCJIS information cannot occur over email, fingerprinting of new employees will be done before 1st day of employment, and viewing one’s own criminal record is not authorized without going through the KBI. Randy stated these things were already in practice for several years, it just was not in written policy so it was added.
 - C. Funding Update – Community Corrections statewide received additional funding for FY 22 & FY 23. KDOC specified that the additional funding was to be used for raises for current employees and not for the hiring of additional staff. This money came from the State General Fund and not any supplemental funds. Randy will ask Reno County to contribute funds to hire an additional Community Corrections Officer for FY 23. Randy noted last year the focus was on raises and this year the focus will be on operations, full time equivalents, & Behavioral Health budget increases.
- 5) No other business to address. Motion to adjourn the meeting by Stephanie Springer with a second motion by Lacy Stauffacher and all approve.
