

Lagoon Maintenance

Unwanted vegetation control:

- Remove woody trees & plants around lagoon to allow wind & sunlight treatment
- No shading on lagoon
- Treat cattails & duckweed with herbicide

Maintain fence by:

- Keep fence tight & secure to keep animals & children out
- Fence mesh size at maximum of 4" x 2", including gate
- Fence height minimum 4', including gate

Maintain berm by:

- Repair eroded & damaged spots
- Dense grass cover
- Grass height of 8 inches or lower

Water level:

- Attempt to maintain an operational water level of 3-5 feet
